Echavarren University Carlos III in Madrid, and Public University of Navarre, Spain Keywords: urban development, city planning, human ecology, Chicago School of Sociology. Contents 1. The origins of the city 2.

Urban Development and its Forms: Origins and New

Ecological urbanism has an aesthetic dimension, but it is not a style; the works of its practitioners may be radically different in appearance even though based on the same principles. An ecological approach to urban design is not new; it is grounded in a tradition of basic concepts and principles.
